

Please refer to the **General Fabric Postcard Instructions** for techniques for this project!

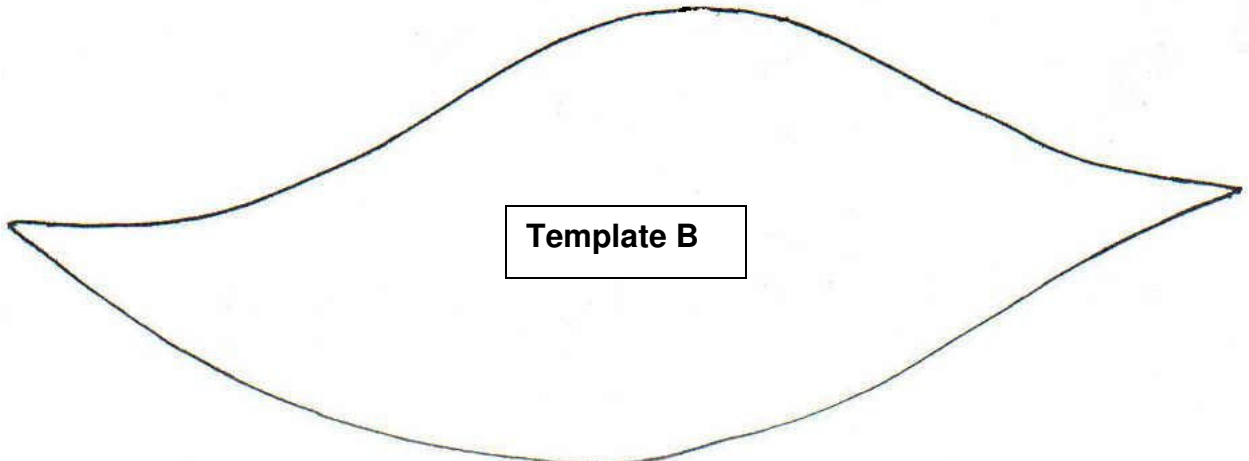

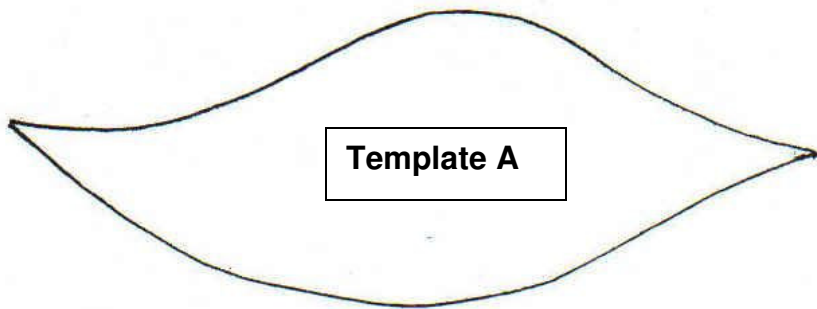

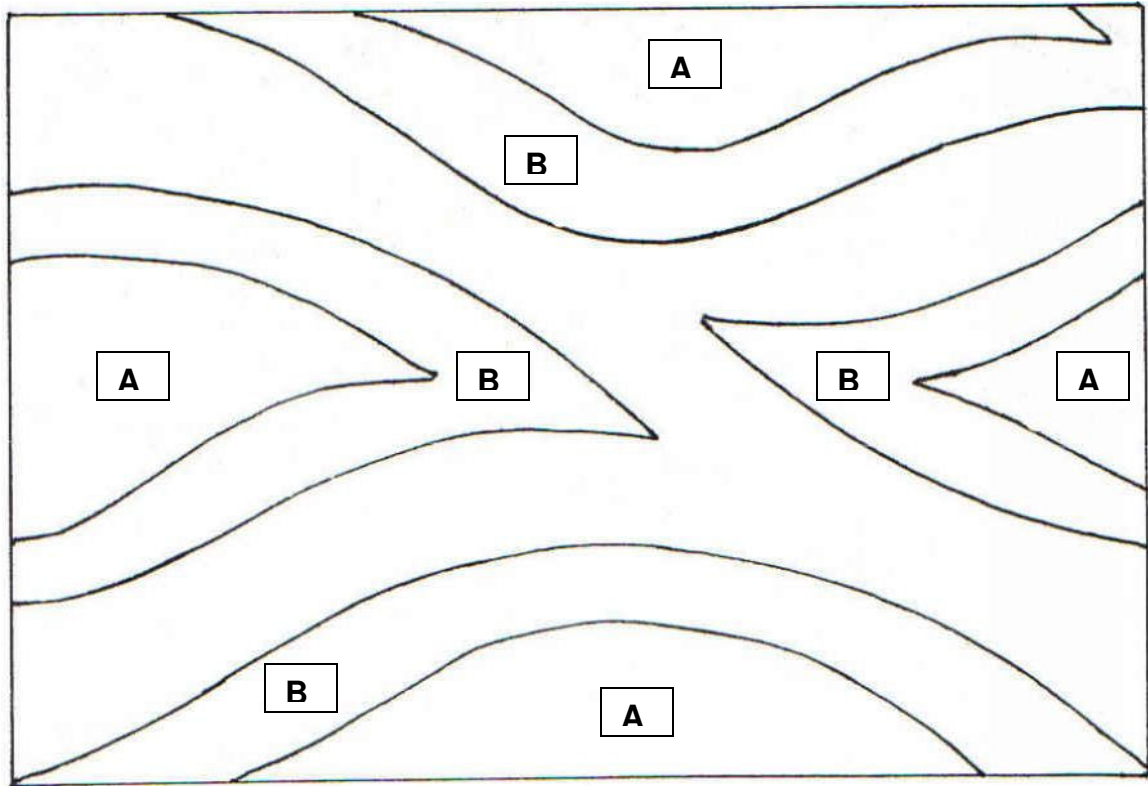

To Create the Falling Leaves Fabric Postcard:

1. Cut fabric pieces from the Template A and B shapes.
Experiment... these leaves can be arranged in lots of different ways!
2. If you like the arrangement shown in the photograph: cut 4 pieces from Template A, cut 4 pieces from Template B, and cut a background piece 4"x6". Simply fuse a Template A piece on top of a Template B piece in the locations shown on the drawing. Embellish and go!

Please support the Alzheimer's Art Quilt Initiative!
